Principal's Report

Financial Report:

Balance is \$264.38. However, there is an outstanding deposit of \$134.35 for hot dogs. With this the balance is \$398.73

Parents Reaching Out Grant:

Mrs. VandenBeukel has applied for a government grant to allow us to bring educational type sessions to Greendale. The grant is for about \$1,000.00 and this should allow this session to be held at no extra expense to our school. Mrs. VandenBeukel gave each of us a schedule for these sessions with dates, topics and location. If you need one I am sure one can be obtained by Mrs. VandenBeukel or any of the council members. I hope we are all able to attend one or more of these, they sound like they will be very informative.

School Liason Council Event:

November 4th, is the day for the vendor fair it will be held from 4:30 to 8:45, Deb had a lot of success with this last year so hopefully we will have the same luck this year.
